JUICE PLUS+

GETTING MORE FROM LIFE WITH JUICE PLUS+

Live your life. The way you want. What does your body need to make you feel really great? A variety of valuable nutrients? Yes. And you'll get these with a balanced diet. Including as many fresh Fruit and Vegetables as possible. Every single day.

But it's not always that easy. That's why we at Juice PLUS+ have concentrated the best of 30 types of Fruit, Vegetables and Berries for you and provide them as capsules. So that you benefit from the valuable substances such as phytonutrients every day.

**JUICE PLUS+ - THE NEXT BEST THING
TO FRUITS AND VEGETABLES.**

PICKED **FOR JUICE PLUS+**

You can rest assured that all the Fruit and Vegetables used for Juice PLUS+ have felt the sun's caress and are harvested when fully ripened. To maximise your intake of valuable and high-quality substances. All of which are retained by using the most gentle drying process possible.

Just as important: Good partnerships with our suppliers. Because we know that trust and sustainability are the basis of our product quality. It is precisely this that has made Juice PLUS+ into one of the world's leading products, in which millions of people in 23 countries have put their trust in for more than 20 years.

AS IF FRESHLY PICKED.

OUR TIP

Make sure your diet contains fresh Fruits and Vegetables of various colours. Just as we do in the production of Juice PLUS+.

IT'S SO EASY. 5 PORTIONS OF FRUIT AND VEGETABLES A DAY.*

This recommendation is issued by nutritional associations to ensure your body receives the full range of essential vitamins, minerals, fibre and phytonutrients it needs. Juice PLUS+ capsules will help you to make this recommendation reality.

*Recommendation issued by leading nutritional societies (e.g. DGE, SGE, ÖGE)

JUICE PLUS+ PREMIUM CAPSULES WITH 30 TYPES OF FRUIT AND VEGETABLES

- + You get the best from freshly harvested, fully ripened Fruits and Vegetables
- + You benefit from the essential components of juice and nectar from Fruits, Vegetables and Berries
- + You will consume valuable nutrients and make a positive impact on our dietary habits

MAKE LIFE MORE COLOURFUL + FRUITS AND VEGETABLES

Almost One Million people worldwide have participated in the Children's Health Study, with results showing that the enjoyment of Fruits and Vegetables can be instilled and promoted by Juice PLUS+. The impressive results - aided by the use of Juice PLUS+ - showcase findings such as "80% of participants now eat less fast food, drink less sweetened drinks and eat MORE Fruits and Vegetables daily".

With nutrients at your convenience you can create the perfect basis for a healthy diet.

EXCELLENT RESEARCH MAKES JUICE PLUS+ NUMBER 1

The most important scientific studies with Juice PLUS+ deal with the immune system, oxidative stress, blood vessels and the health of our skin. They prove that the richness of the nutrients in Juice PLUS+ have health-promoting effects on our bodies. The key ingredients are the Juice PLUS+ Fruit and Vegetables. The variety of naturally occurring phytonutrients and different vitamins play together effectively.
